## INOX WIND LIMITED (INOXLEISUR)

## Rationale

### OUR GENERAL VIEW

For INOXINT, it is currently trading around ₹146. There is strong support around the ₹125 to ₹130 range, which is unlikely to break. Holding a position is advisable, but fresh buys should be avoided as the trend hasn't turned positive yet. A recovery could happen, and its confirmation will be above ₹155.

# CSB BANK LIMITED (CSBBANK)

## Rationale

### OUR GENERAL VIEW

For CSB Bank, it is currently trading around ₹418. It is advisable to wait a bit as PSU banks haven't seen much of a rally yet. If it reaches ₹435 or ₹440, holding is recommended. For those with a short-term view, a stop-loss around ₹405 is suggested, while a long-term view should maintain a stop-loss around ₹375. Buying opportunities exist if it comes down a little, offering a discounted rate.

## ASHOK LEYLAND LTD (ASHOKLEY)

## Rationale

### OUR GENERAL VIEW

For Ashok Leyland, holding is recommended as it hasn't run up much yet. The pattern suggests it could reach ₹175 or ₹180. There was a breakout above ₹130, which went up to ₹145, followed by some profit booking. The focus has shifted to PSUs, but buying is still seen here. Potential remains, and forming a view for the next one and a half to two years would be beneficial.

## JINDAL STEEL LIMITED (JINDALSTEL)

## Rationale

### OUR GENERAL VIEW

For Jindal, it is advised to book a loss and exit. The call at ₹210 was based on a good setup around ₹190, but it did not bounce back. Momentum is not building up in small-cap and mid-cap stocks. The call was to wait for a maximum of ₹190-₹192, but now it is advisable to exit immediately as it could go down further.

## CEAT LIMITED (CEATLTD)

## Rationale

### OUR GENERAL VIEW

For CEAT, making a fresh buy is difficult as the valuation seems a little expensive. It is better to wait. Those with a position should consider JK Tyres, as the rally in JK Tyres is still ahead. Apollo Tyres also has a lot of rally ahead, with a target of ₹550 to ₹580. A disclaimer is given that a call was issued on Apollo Tyres for Prime members.

## APOLO TYRES LTD (APOLLOTYRE)

## Rationale

### OUR GENERAL VIEW

For Apollo Tyre, a disclaimer is given that a call was issued in the morning, and it is getting ready to go above ₹515. The overall tire counter is gaining momentum, and Apollo Tyres is expected to sustain above ₹500. Holding a position is recommended, with no resistance before ₹550. A longer-term view of a month or a month and a half is advised, as Apollo Tyres move slowly.

# BANK OF BARODA (BANKBARODA)

## Rationale

### OUR GENERAL VIEW

For Bank of Baroda, the view is positive. The PSU Bank index has reached a breakout zone, and PSU banks are expected to run for the next two years. Bank of Baroda is currently priced around ₹271, and it is ready to reach its all-time high. Those with positions should hold on, with a target of ₹295 to ₹300. PSU banks should not be sold right now.

## REC LIMITED (RECLTD)

## Rationale

### OUR GENERAL VIEW

For REC, it is still in consolidation mode, and the stock isn't moving yet. Those with a position should stay put and maintain a stop loss of around ₹350. It hasn't rallied much yet, and it may take another two to three months for a rally to occur. Patience is required as the time for its good days is not here yet.

## JSW ENERGY LIMITED (JSWENERGY)

## Rationale

### OUR GENERAL VIEW

For JSW Energy, the company is very good, but it hasn't been doing well for very long. It may not last a month and a half. A stop-loss of ₹470 is suggested. Once it reaches around ₹500 or ₹490, accumulation is advised. The sector as a whole is recommended to buy Silon Energy, with a buying zone from ₹51. A stop-loss around ₹40 is advised, with a target of ₹74.

## ADANI POWER LTD (ADANIPOWER)

## Rationale

### OUR GENERAL VIEW

For Adani Power, it is ready to go to ₹200 and above, with no problem at all. The target is ₹200 and above that ₹240. If someone wants to make a fresh buy, a value investing zone around ₹125-₹130 is suggested. Currently trading around ₹270, if it reaches ₹212, it will be very good. Holding is recommended as it is getting ready to go above ₹200 very soon.

# URBAN COMPANY LIMITED (URBANCO)

## Rationale

### OUR GENERAL VIEW

For Urban Company, it is advised to exit immediately. After the IPO, if the stock does not sustain above the IPO high, it is advisable to exit. A stop-loss around ₹160 was suggested, and it is getting ready to go further down to ₹135-₹130. Exiting at the current level is recommended.

## Positional

Date: 2025-10-20

Time: 13:24:00

# JUPITER WAGONS LIMITED (JWL)

## Rationale

### OUR GENERAL VIEW

For JWL, averaging further is not recommended. The stock was bought at the very top, and a stop-loss was not maintained. The monthly, weekly, and daily charts show a negative trend. A value zone around ₹320 or ₹300 is better for value investing. It will take another three to four months for a base to form, and then the stock will run. It is still in a downtrend, and consolidation will come after the downtrend.

## ANANT RAJ LIMITED (ANANTRAJ)

## Rationale

### OUR GENERAL VIEW

For Anant Raj, it is advised to come down a little. Once it reaches the zone of ₹585 or ₹590, accumulation should start. The level should be raised a little, starting at ₹610 and gradually buying within this range all the way up to ₹580. This strategy will help in accumulating the stock at a better price.

# BHARAT ELECTRONICS LTD (BEL)

## Rationale

### OUR GENERAL VIEW

For BL, the target was ₹440, which has already arrived. The next target is set at ₹550, and it is advised not to sell before reaching this target. The stock should be held quietly for two months, without any interference. As soon as it crosses ₹500, the target of ₹550 will come immediately. Holding is recommended for the target of ₹550.

# APOLO MICRO SYSTEMS LTD (APOLLO)

## Rationale

### OUR GENERAL VIEW

For Apollo Micro Systems, the correction is seen as a healthy correction. The stock has fallen due to short-term momentum, but it is a very good company. Those with a position should stay put, and those without can accumulate at the level mentioned or buy fresh. The target is ₹350, and above that, ₹400. The stock is expected to perform well in the future.

## BANK OF MAHARASHTRA (MAHABANK)

**Rationale**

### OUR GENERAL VIEW

For Bank of Maharashtra, those with positions are advised to hold. A continuous higher high formation and a parabolic formation from below indicate buying in a staggered manner. The resistance is getting ready to go next at ₹65-₹67. Fresh buys are not recommended, but holding is advised as the rally can continue till ₹68-₹70.

## Positional

## UCO BANK (UCOBANK)

## Rationale

### OUR GENERAL VIEW

For UCO Bank, holding is recommended as many investors were trapped. A bounce is expected, and the rally is expected to continue until ₹36-₹37. Selling is advised around that level, as assuming it will correct again and move on is not expected. Exiting around ₹36-₹37 is recommended.

## Positional

Date: 2025-10-20

# GODFREY PHILLIPS INDIA LT (GODFRYPHLP)

## Rationale

### OUR GENERAL VIEW

For Godfrey Phillips, holding is advised as there is no fundamental problem with the company. It is a great company, and it still has a rally ahead. It is ready to reach ₹3800 or ₹3900. This is a swing setup, and holding for a minimum of 3 months is recommended. Patience is required for future gains.

## Positional

Date: 2025-10-20

# SHRIRAM FINANCE LIMITED (SRTRANSFIN)

## Rationale

### OUR GENERAL VIEW

For Shriram Finance, a call was made once, and it is exactly in the same zone around ₹698-₹696. There is good resistance at ₹700, and a one-week closing is required above ₹700. A four-time top has been formed, so a fresh buy call is not recommended here. If it remains above ₹700 for a week, a buy setup will be formed; otherwise, it should be ignored for now.

## Positional

Time: 13:39:00

# TATA POWER CO LTD (TATAPOWER)

## Rationale

### OUR GENERAL VIEW

For Tata Power, those with a position should stay put, as there is nothing to worry about. If it sustains above ₹405-₹406, momentum is possible up to ₹480-₹500. It moves a little slower compared to other power sectors, but it is fundamentally a very strong company. Holding is recommended as it is expected to perform well in the future.

# SRM CONTRACTORS LIMITED (SRM)

## Rationale

### OUR GENERAL VIEW

For SRM Contractors, a disclaimer is given that a call was placed with clients. The stock has a great target and is ready to move above ₹600 and ₹650 slowly. This is the base now, and building is recommended. Staying tuned is advised as there are no problems.

## Positional

Date: 2025-10-20

Time: 13:50:00

## YES BANK LIMITED (YESBANK)

## Rationale

### OUR GENERAL VIEW

For Yes Bank, if it sustains above ₹25, the view will change and be reviewed once. For now, those with a position should stay with a stop loss of ₹21.50. This is a very small stop loss, and if it is hit, exiting is recommended. Confidence is not yet built up, and it may betray once. Staying cautious is advised.

## Positional

## BAJAJ ELECT.LTD (BAJAJELEC)

## Rationale

### OUR GENERAL VIEW

For Bajaj Electricals, it seems difficult to get any momentum. The price is around ₹537, and those with a position should strictly maintain ₹495. ₹490 will be the perfect stop loss. If both short-term and long-term trades are held, exiting and moving on is advised. Holding ₹530 will be very important, and the next two weeks are crucial for this.

## Positional

## SAMMAAN CAPITAL LIMITED (SAMMANCAP)

## Rationale

### OUR GENERAL VIEW

For Samman Capital, it is trading around ₹169-₹170, with no resistance before ₹189-₹190. Staying put is advised, and there is no problem at all. A call was given, and profit was booked, followed by a small dip. The short-term activity has already happened, and today's high is ₹172. There is no resistance before ₹190, and a target of ₹220-₹230 is possible in 6 to 8 months.

## Positional

## ICICI BANK LTD. (ICICIBANK)

## Rationale

### OUR GENERAL VIEW

For ICICI Bank, if someone wants to buy once, it is recommended to do so around ₹1330. Accumulation should be done once it comes around ₹1330-₹1340. The target for one year can be almost around ₹1650. Buying is advised once it comes around ₹1330-₹1340 at any time.

**Positional**

Date: 2025-10-20

Time: 14:16:00

## ULTRATECH CEMENT LIMITED (ULTRACEMCO)

**Rationale**

### OUR GENERAL VIEW

For UltraTech Cement, the stock forms a top before the results are released, and the stock forms a base. The market reacts to something unexpected, and the market will never react to what it knows. The situation with UltraTech Cement is similar, as the market knew, so it didn't react. It is already discounted, and the stock is expected to perform well in the future.

## Positional

Date: 2025-10-20

Time: 14:11:00

## HDFC BANK LTD (HDFCBANK)

## Rationale

### OUR GENERAL VIEW

For HDFC Bank, there is a lot of value in it, and it is HDFC Bank. The target should reach ₹1150 or ₹1180 if two or three quarters are waited. Only those with a market outlook of at least two years should invest here. The stock hasn't fallen much yet, so it is still very low and in the value zone. Buying is advised.

## Positional

Date: 2025-10-20

Time: 14:12:00

## IDBI BANK LIMITED (IDBI)

## Rationale

### OUR GENERAL VIEW

For IDBI Bank, it is recommended to book a profit if it ever reaches around ₹98-₹99. All the other banks have risen recently, and it is not easy for IDBI Bank to rise. In the short term, a target of ₹98-₹99 should be set. Exiting is advised if a short-term view is held. A long-term view is not recommended right now due to multiple time resistances.

## Positional

Date: 2025-10-20

# THE SOUTH INDIAN BANK LTD (SOUTHBANK)

## Rationale

### OUR GENERAL VIEW

For South Indian Bank, buying it that high is not recommended. Once the stock reaches around ₹33-₹34, booking profits is advised. Buying is recommended once it comes around ₹33-₹34. In the short term, booking profits is advised if a short-term view is held.

## Positional

Date: 2025-10-20

Time: 14:26:00

# STATE BANK OF INDIA (SBIN)

## Rationale

### OUR GENERAL VIEW

For SBI, it is a very good bank and the number one PSU company. A target of ₹960 is a very small target, and ₹1050 is the target. Buying around ₹890 or ₹880 is recommended. The way the PSU rally is going, ₹960 will easily be possible. A target of ₹1050 or ₹1100 is on the way. It is a number one bank, very good, but the service isn't great.

## Positional

Date: 2025-10-20

Time: 14:21:00

## ITC LTD (ITC)

## Rationale

### OUR GENERAL VIEW

For ITC, those holding positions should hold on. The market cap is around ₹516 billion, and the overall profit is very good, around ₹35,000 crore. The industry is operating at a PE of around 4,950, and the stock's price-to-earnings ratio is around 25. Value unlocking hasn't happened yet, and by nature, ITC moves slowly. A good price around ₹412-₹400 is a value zone. Buying is recommended with a stop-loss of ₹365-₹370. It is getting ready to go above ₹500, with a target of ₹530 possible for one year.

## Positional

Date: 2025-10-20

# HINDUSTAN AERONAUTICS LTD (HAL)

## Rationale

### OUR GENERAL VIEW

For Hindustan Aeronautics, the target is ₹6500, and it is advised not to sell before that. Waiting quietly for a year is recommended. It is a great company, and India is very supportive of defense. The budget will have many announcements regarding defense. The price is around ₹4850, and the target is ₹6500, which is 1000 points above the target of ₹5500. Holding is recommended, and fresh buys are also advised.
